DETAILED ACTION

1. Applicant's amendment, filed November 18, 2005, has been entered and acknowledged by the examiner.

Allowable Subject Matter

2. Claims 1-4 allowed.

The following is an examiner's statement of reasons for allowance: The prior art does not disclose an electroluminescent display device wherein each color filter layer is confined to an area of a corresponding pixel and overlaps with a second planarization insulating film (as required by claims 1,4) by a length that is larger than a sum of a thickness of an anode layer and a thickness of a first planarization insulating film (as required by claims 1,4) located above the color filter layers, as is required by claims 1,4. Therefore, claims 1,4 are allowed. Claims 2,3 are allowed as a result of their dependence on claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
